(For office use. Do not write in this space)

GENERAL INFORMATION FORM

Your cooperation in giving as completely as you can, the information requested in this form, will assist the Government in deciding upon your status as an alien enemy and in determining whether you should be released, paroled, or interned. An original and three copies of this form are to be filled out and the original sworn to before a notary public.

If you wish, you may take an extra copy of the form to use while you are securing the information. Then, when you are sure that you have answered all the questions clearly on this sample form, you may copy your answers on the four forms which are to be submitted.

Any immigration officer will be glad to explain the questions to you and assist you in filling out this form. The answers to the questions, however, must be your own answers and not those suggested to you by any other person. If you do not have room to answer certain of the questions in the space provided, you will find two blank sheets at the end of the form on which you may also write. *All questions must be fully answered.* If you write on these blank sheets, however, be sure to give the number or numbers of the questions which you are answering.

Be sure to answer every question. If you do not know the answer to certain of the questions and cannot find out, write "I do not know," and then explain why you cannot secure the information.

Your attention is called to Section 5392 of the United States Revised Statutes (Title 18, Section 231 U. S. C.) which provides that whoever having taken an oath in any case authorized by law subscribes to any material matter which he does not believe to be true is guilty of perjury and shall be fined not more than \$2,000 and imprisoned not more than 5 years.
