T-Sgt. Tanoue Dies In Action On Italy Soil

Mr. and Mrs. Nikuma Tanoue, who are residents of the Rohwer Relocation Center near McGehee, Ark., have recently been notified by the War Department that their son, T/Sgt. Ted T. Tanoue, has been killed in action in Italy.

They were first notified that Sgt. Tanoue was seriously wounded on Sept. 1 and later they received a message that he had died on Sept. 6.

The Tanoue family lived at Torrance, Calif.

This is the second person of Japanese ancestry who has been killed in action who was formerly a resident of Torrance.

The other was A. R. Shimatsu, also killed in Italy.

Sgt. Tanoue is the 27th former Torrance man to give his life in World War II.

On Sept. 20, 1944, the Tanouye family received a telegram from the War Department that their son, T/Sgt. Ted Tanouye, had been wounded in Italy and had been sent to a hospital. Two days later came another wire bearing the information that he had succumbed to his wounds.

Ted attended the Torrance schools, having graduated from Torrance High school with the class of summer '38. Of a genial disposition, he always had a smile and a helping hand. After graduation he was employed at the Quality Market.

Ted's service to his country consisted of duties at post headquarters at Fort F. E. Warren, Wyo., and then the training of Hawaiian volunteers at Camp Shelby. On being sent overseas he was made a technical sergeant, in which capacity he served with the 442nd Battalion, credited with receiving many citations for bravery. It has also suffered heavy casualties.

Ted carried with him his uke, which he strummed in the camp and in Italy during lulls upon the battle front. He owed his ability on the guitar to the instruction he received at the Dick McIntire Hawaiian Studio, his teacher a classmate of '38, Miss Thelma Hauck.
